

Important Information Regarding:
Flight delays due to Volcanic Ash Clouds
(from the Puyehue-Cordon Caulle volcano in Chile)

Issued: 13th May 2011

Applies to all Travelsure products

The following advice relates to policies issued before the **8am 13th June 2011**.

Flights over New Zealand could be disrupted for days as ash from the Chilean volcanic eruption drifts across the country.

Single Trip Policies

Additional Accommodation and Transport expenses

There is provision to cover reasonable additional accommodation and transport expenses if your travel arrangements have been directly affected by the cancellation / delay of flights due to volcanic ash.

We understand however that some airlines are offering free amendments and full refunds. You must take all reasonable steps to minimise your claim and keep itemised receipts for additional accommodation and transport expenses.

Amendment or Cancellation costs

If prior to you leaving your home to begin your Journey your travel plans have been directly affected by the flight cancellations / delays there is provision to claim for Amendment or Cancellation costs.

Please contact your travel agent or travel provider regarding the best option for you in altering your trip.

You must take all reasonable steps to minimise your claim and keep documentation showing what your original planned pre-paid arrangements were, along with receipts and documentation showing what your new arrangements are. The policy provides cover for amendment or cancellation (whichever is less).

No cover will be provided for the utilised portion of prepaid travel arrangements. If you are claiming additional accommodation or transport expenses there is no provision to also claim for the cancellation cost of pre-paid travel arrangements for the same period. The policy also excludes cover for loss of enjoyment.

When submitting your claim you will need to provide written confirmation from the travel arrangements provider (transport, accommodation or tour provider) indicating the prepaid arrangement that has been affected along with itemised receipts and advice of the non-refundable unused component.

You must take all reasonable steps to minimise your claim

Corporate and Annual Multi-Trip Policies

The above advice also applies to Corporate and Annual Multi-Trip policies, however please note there is an additional requirement that your original travel arrangements must have been booked prior to 8am 13th June 2011.

Customers stuck overseas who cannot return home

For customers who hold a Travelsure policy issued prior to 8am 13th June 2011 and cannot return home on their original return date due to the volcanic ash clouds disrupting flights, their policy will automatically extend free of charge to allow them to return by the quickest and most direct route.

As this extension is automatic, customers and agents do not need to do anything.
